

JASLOK HOSPITAL

Rx

Date: 8/2/13.

Patient's Name: Mr. Malcolm Mendes.

Malcolm was suffering from back pain since December 2012 which became severe by Jan. 2013 (1st week). The pain was so severe that he could not do any regular activities and would lie down on the floor with pain holding his left leg & tossing & turning from side to side and also yelling in between due to the pain. Last when he could not walk from the bedroom to the kitchen, we were alarmed and thought of meeting Dr. Preli Doshi as she was referred to us by one of our friends. After the Pain Management Treatment taken on 16/1/13 with a day's hospitalisation, my husband is now fit and ready to do all
